Safety Tips from FAAN

- Eat dinner before going trick-or-treating so you are not tempted to eat a treat because you are hungry!
- Be sure to carry your medications.
- Go trick-or-treating with an adult. If you're old enough to go without an adult, take at least two buddies with you. Don't go out alone.
- Wear a flame retardant costume.
- Be cautious of strangers.
- Never go inside a house without your parent's permission.
- Stay clear of lit jack-o-lanterns.
- Only visit houses that have lights on.
- Walk on sidewalks and driveways.
- Cross the street at the corner or in a crosswalk.
- Carry a flashlight.
