

3 million Americans under the age of 18 have food allergies.

Trick-or-Treat for Food Allergy Halloween Coin Collection Campaign

Sponsored by
EleCare
Nutritionally Complete Amino Acid-Based
Medical Food and Infant Formula With Iron
Manufactured by Ross Pediatrics

Most children who have food allergies can't enjoy the treats given on Halloween.
During the month of October, make a donation to help find a cure for food allergies.

For more information about this campaign, please contact
The Food Allergy & Anaphylaxis Network at (800) 929-4040 or www.foodallergy.org.
